This is where Credit Evaluation may provide additional details on some of your courses.

- Course that are not transferable
- **Courses that need to have additional information submitted to be evaluated**
- Any credits (e.g. AP, IB, test credits) you earned at previous school that you will not receive at UM

Information About Your Evaluation

- For Engineering course evaluations, please visit <https://tcaf.engin.umich.edu>. For non-Engineering students refer to the bottom of the page on this website. COM SCI 32, 35L
- Credit is being adjusted to reflect conversion to U-M semester system.
- 60 credits are allowed for new transfers including UM-Dearborn and UM-Flint.
- List of in-progress courses not on file. These courses will be evaluated on receipt of official final transcript, if applicable.
- Contact the Math Department (<https://prep.math.lsa.umich.edu/transfercredit/extintfnd>) to have the following courses further evaluated to determine if they can transfer as MATH credit: PHYSICS 32
- Contact the Stats Department (<https://lsa.umich.edu/stats/undergraduate-students/transfer-credit-evaluation-request.html>) to have the following courses further evaluated to determine if they can transfer as STATS credit: STATS 100B, 100C
- For additional information on any courses that transfer as "TRGENCR 101X," please refer to the information provided on the LSA website at <https://lsa.umich.edu/lsa/academics/lsa-academic-policies/transfer-information---residence-policy.html>.
