

Armenian 301: Advanced Armenian

Do you have some experience reading, writing, or speaking Armenian (Eastern or Western), and want to take your language skills to the next level?

In this dynamic course, students will gain confidence and mastery using Armenian in a variety of authentic learning contexts. We'll watch films and stand-up comedy; listen to kef music and pop songs; and read short stories, poetry, essays, newspaper articles, and short selections from a variety of novels. Materials will be tailored to match student ability and interest.

As refreshing as 'Tan' on a hot summer day!
