

GRADUATION RECEPTION 2019

UNIVERSITY OF MICHIGAN | DEPARTMENT OF CLASSICAL STUDIES

Welcome!

A message from the Chair of the Department of Classical Studies:

It is with great pleasure that I welcome you to this celebration of our graduating students. I know that I speak on behalf of the entire faculty of the Department of Classical Studies when I say that it has been a great honor to have this wonderful group in our classes. We have thoroughly enjoyed the opportunity to explore together with them the rich intellectual terrain of Greek and Roman antiquity and Modern Greece. We are very proud of the accomplishments of our graduating seniors, MA, and PhD students, and we wish them all the best in the years that lie ahead.

To our graduating seniors, we hope that you will find the time to visit or drop a line in the future and tell us where your journey leads you. But most of all, may your experience in our Department continue to enrich your life no matter where life takes you.

To the families and friends of the graduating students, we give our thanks for giving us a chance to know them. It is trite but true that we professors often learn as much from our students as they do from us. For this, we are ever thankful.
