

Center for Russian, East European, and Eurasian Studies (CREES)

Fall 2017 Graduate-level Courses

The following list includes courses relating to Russia, Eastern Europe, and Eurasia, many of which can be applied to REES graduate degrees. Courses marked as REES approved will count toward the master's or certificate degree programs. REES related courses require approval from the REES advisor to be applied to a degree. Independent study and directed reading courses may also be used toward a REES degree when appropriate. Longer descriptions and additional information for each course can be found in the LSA Course Guide (<http://www.lsa.umich.edu/cg/>) and relevant department for details. Other courses may satisfy geographic or discipline distribution requirements with advisor approval. Courses marked with an asterisk (*) can be used to meet the department's upper-level graduate research seminar requirement.
