This virtual lounge will cover details about who we are, the resources we offer, and more details on what you can expect this summer.

This virtual lounge will feature our incredible faculty! You'll learn about your course options and other academic components for the summer.

Come chat with Summer Bridge alumni to learn about the experience directly from scholars who have gone through it. This will be a casual Q&A.

Housing

Fill out **two** housing applications by **May 6**. You will need to fill out a Summer Term Housing Application and, if you plan on living in the residence halls for the fall and winter terms, an Academic Year Housing Application. If you have committed to U-M by paying your enrollment deposit or having your enrollment deposit waived, you should receive an email with access to these applications within 7 business days. For more information, please visit the [housing website](#) or contact them at housing@umich.edu.

Please note that the Summer Term contract shows dates as June 26-August 19. Please disregard the June 26 date. **All scholars are required to move in on Saturday, June 25.**

The screenshot shows a website interface for Michigan Housing. At the top, there is a blue header bar. Below it, the text "MICHIGAN HOUSING" is displayed in blue. Underneath, there is a breadcrumb trail: "FirstYear7 S. Test7 (99999906)". The main content area is divided into two sections by horizontal lines. The first section is titled "SUMMER HOUSING 2022" and contains a bullet point: "Summer Term Housing Application (Housing Period: June 26 - August 19 2022) : The process above is currently available". The second section is titled "ACADEMIC YEAR HOUSING 2022-2023" and contains two bullet points: "Housing Application (Housing Period: August 24 2022 - April 28 2023) : The process above is currently available" and "Create Your Own Roommate Finder Profile : The process above is currently available". On the left side of the page, there is a vertical navigation menu with the text "FACTS" and "IBERS" in blue. The page is framed by a dark blue and orange decorative border on the left and bottom.

Orientation

The [Office of New Student Programs](#) (ONSP) has begun sending out steps for orientation for those who have paid their enrollment deposit or had it waived. It may take up to 7 business days to receive this email. You will be given one date to choose from for orientation: June 27.

In Mid-May and once registered for your orientation date, ONSP will send out additional information to complete your virtual orientation course, placement tests, and pre-advising activities in MyAdvising.

You will register for both summer and fall courses in-person with support from your academic advisor.

Enrollment Deposit and Financial Aid

May 1 is right around the corner! To enroll at U-M, you will need to accept your admission and submit your \$300 enrollment deposit by May 1st, 2022 through [Enrollment Connect](#). There are options to [request an extension or waiver](#) through the Office of Undergraduate Admissions.

If you have not yet filled out a 2021-2022 FAFSA, we encourage you to do so as soon as possible to qualify for summer aid. This additional FAFSA is due by June 1, but we recommend submitting it as soon as possible.

Continue to finish your senior year strong and we hope to see you at one of our virtual events next month! Please reach out to us at csp-bridge@umich.edu if you have any questions.
