

HAIL, CSP Scholars ~

Registration for Spring, Summer and Fall 2022 is right around the corner, and the [LSA Course Guide for Spring, Summer and Fall 2022](#) goes live TODAY, so make your plans NOW:

## ADVISING & ACADEMICS

### MARK YOUR CALENDAR

- March 21: Backpack opens; your registration date/time is published on Wolverine Access.
- March 31-April 13: Registration by appointment date/time for Spring, Summer and Fall courses.

### [MAKE AN APPOINTMENT](#) WITH YOUR CSP ADVISOR

- Appointments will fill up rapidly; try for an appointment that's prior to your registration date/time.
- If you've declared a major/minor, make an appointment with your [major/minor advisors](#).
- **Have registration-related Qs or a quick question? CSP DROP-IN ADVISING [Mon-Fri from 1:00 – 3:40 pm] is available on a first come-first served basis via In-Person, Zoom or Phone.**
  - Zoom or Phone Drop-In: Call 764-9128 to check in
  - In-Person: Check in at the CSP front desk, 1139 Angell Hall

### JUNIORS & SENIORS: GOT OFFICIAL OR UNOFFICIAL AUDITS?

- Refer to your official degree audit to determine your remaining requirements. If you're planning to graduate in Summer or Fall 2022, it's crucial that you understand your audit thoroughly (sent via email by the LSA auditors), as it's used to approve or deny your graduation.
- If you don't have your official audit because you haven't applied to graduate or obtained releases from major and/or minor advising, then [take action now](#). In the meantime, use the [LSA Unofficial Audit Checklist](#) to preview your progress.

## CSP SUPPLEMENTAL INSTRUCTION

There is still time for mid-semester corrections to shoot for a higher final grade, so why struggle? **Make tutor requests through your CSP advisor.** CSP offers **group tutoring in Math & Statistics** ([here's the group schedule](#)), and partners with the SLC (Science Learning Center) for study groups & tutoring in the sciences. We also offer **Spanish Conversation Groups Tue/Wed evenings.** **CSP Individual tutoring** is offered in Economics, French, Spanish, Environmental Science, Electrical Engineering, & Computer Science, and can sometimes be found for other subjects.
