If you **do not** have enough pending financial aid to cover these costs, make arrangements to start paying the difference owed as soon as possible to avoid late fees charged after the **June 30 due date**.

For questions or to make payments, contact the **Student Financial Services Office** at um-sfo@umich.edu or 734-764-7447 or toll free 877-840-4738.

The requirements include:
- Completion of Entrance Counseling
- Sign Master Promissory Note.
- To complete these steps you will need your FSA ID and Password as used on the FAFSA.

Other FAQs
Do I have to move everything home before fall?

- No, any scholar who is living in the residence halls in the fall will have the opportunity to move-out of East Quad and directly into their new residence halls on the morning of Saturday, August 19.
- If you are NOT living in the residence halls in the fall, you will be required to move out on Friday, August 18.
- More info about steps you need to take will be shared from Michigan Housing via email in the summer.
Can I bring a car for the summer?

While we don’t have any policies around cars, we *highly discourage* bringing a vehicle as it is near impossible to find affordable parking.

Freshmen are only available for student storage parking and there is a limited amount of spots.

Who's my roommate? And other housing questions...

- The Housing Information Office does not release roommate information in advance for SBSP so, unfortunately, there’s no way for me to share this information.
- We don’t honor roommate requests for SBSP unless there is an approved accommodation.
- Seeing your requested roommate as “confirmed” on your application only means that your roommate also requested you, it does not confirm that you two will be rooming together.
- We limit placement in singles.
