MAE Major Declaration Form

Student Name: ____________________________
Uniqname: ____________________________
UMID: ____________________________

By the beginning of a student’s third semester in the MAE Program (usually the second Fall), he or she must declare which area of study will be his or her major. *This will be done earlier if the student plans to graduate in two semesters.*

The MAE Major Requirement states:
Six credit hours in an approved sequence in a single field of (applied) economics. Almost any two courses relevant to economics that are related to one another, and are not being used to satisfy one of the Core requirements under (A), or the MAE Minor, can constitute the MAE major with the approval of the MAE Director.

Major Area of Study (Subject):

</tbody>
</table>

As of this date, I declare the aforementioned area of study as my MAE Major and will take the courses listed to fulfill that major.

This form may be modified only with the approval of the Program Director and must be done at least one semester prior to the semester of graduation.
