	_____	_____
	_____	_____
	_____	_____

I have read and: I agree with this progress report.
 I do not agree with this progress report.
 (please check one)

Student signature: _____ Date _____

Frontiers students must hold an initial meeting with their thesis committee in April of their first year of the program. A second meeting must take place at some point during the first three months of the winter semester of their second year of the program (preferably in January but no later than March 31st). The final committee meeting will take place at the thesis defense; the Frontiers Masters Program Graduation Form will be used at this meeting.
