GSI OET Summer Workshop

Overview:
This workshop prepares prospective GSIs for the GSI OET exam by focusing on effective strategies and language they will need to succeed in teaching contexts such as delivering interactive lectures, managing group work, giving lab instructions, leading discussions, and conducting office hours. Participants identify and practice controlling their individual pronunciation features that create challenges for listeners. In-class work is supplemented by extensive practice assignments via the Canvas online learning management system.

Course details for Summer 2015:
GSI 001: Academic Communications Seminar
Meets: Tuesdays & Thursdays, 10:00 am -12:00 noon; June 9 – June 25 (6 sessions).
