Total Credits: ______

Notes:
➢ Total Credits: English majors must complete a minimum of 30 credits. English 223 and 298 are not included in the 30 credits. Creative-Writing sub-concentrators complete around 36 credits.
➢ A single course can fulfill two program requirements (Pre-1642, Pre-1830, Pre-1900, American Literature, Poetry, and Identity/Difference). If you are using a single class to fulfill more than one requirement, be sure to count the credits only once in the worksheet above. Look for an up-to-date listing of “Courses Filling Major Requirements” on our website. We strongly recommend that you schedule an advising appointment if you have questions about our programs at: www.lsa.umich.edu/english/undergraduate.
➢ English majors must complete two (2) courses on literature written primarily before 1830, at least one (1) of which must be on literature written primarily before 1642. The final historical requirement may be a second course in literature written primarily before 1642 or 1830 OR a course on literature written before 1900.
➢ Two (2) creative/expository writing courses may be used toward elective credits. These courses include SWC 300, (all English/Education students must take SWC 300 for their composition requirement) English 323, 324, 325, 327, 423, 424, 425, 426, 427, 428 or any transferred writing course.
➢ Two (2), 200-level courses may be used toward elective credits. 200-level classes will not count toward any of the core major requirements. Approved courses are: 203, 215, 216, 221, 232, 235, 240, 242, 245, 250, 258, 260, 267, 270, 274, 275, 280, 282, 285, 290, 292, or 293.
➢ English 428 will satisfy the upper-level writing requirement for the College.
➢ Overall 2.0 GPA in the major (English courses with a grade lower than a C- will not be counted toward the major).
