Global History Minor Checklist  
(Effective January 1, 2016)

Student Name ________________________________ Date ____________________________

The academic minor program in Global History should be planned in consultation with a Faculty Advisor from the History Department. For more information see the LSA minors website

List the FIVE history courses that will count toward your Global History Minor.

- Required Survey: Two of these three courses: History 238 (Zoom: A History of Everything); History 239 (The World Before 1492); History 240 (The World Since 1492). All three may be taken; none counts for the cluster requirement.
- Three additional courses from the approved list of classes that count for the Global History Minor—see the Global History Minor website for the full list.
- A maximum of one of the three additional courses may be at the 100-level (History 101-105); first-year seminars (History 195-197) do not count for the minor.
- At least two of the three additional courses must be at the 300-level or above.
- Designated cluster: at least two of the non-survey courses must be from one of the following clusters: 1) Global Power and Social Justice; 2) Science, Technology, Medicine, Environment; 3) Cultural Connections. See the Global History Minor website for the lists of courses in each cluster. Faculty Advisors can approve an alternative cluster.
- Four of the five courses must be taken in-residence at the University of Michigan, Ann Arbor, or must count as in-residence credit (i.e., through UM-sponsored CGIS programs abroad).
- All courses must be taken for a grade (i.e., not pass/fail).
