Graduation Ceremony

Thursday, April 28

11:00 a.m.–12:30 p.m. | U-M Crisler Center
Congrats!

The staff and faculty of the LSA Honors Program extend their congratulations and very best wishes to the U-M Honors Class of 2022.

A Word Regarding Photography:
While we understand the desire to capture moments, we respectfully ask that you refrain from moving to the floor for close-up photos. Please remain in your seat until the Director gives the graduates his final farewell and the students recess. They will meet guests on the Concourse. For your convenience, there are several picture points available throughout the Concourse area following the ceremony for photography.
