Deadline: March 19th for full-length papers

What is UMURJ?

UMURJ is a student-run, multidisciplinary research journal. We publish an issue every year featuring undergraduate student's research papers covering a wide range of subjects at the University. The published research is both peer-reviewed and faculty-reviewed to ensure quality. UMURJ also publishes faculty interviews and featured articles written by the staff.

Send submissions and direct any inquires to:
