

Islamic Studies Minor  
Approved Courses List  
Winter 2017

The following list includes courses on topics related to the study of Islam and Muslim societies and is intended for use by undergraduate students declaring the Islamic Studies minor. Students electing the minor in Islamic Studies should consult the ISP advisor for approval of any course to be used toward the program. Independent study and directed reading courses may also be used toward an ISP minor when appropriate. Please consult the LSA Course Guide (<http://www.lsa.umich.edu/cg/>) and relevant departments for details. Courses in modern language departments are listed only when their topics are relevant to an understanding of the culture, history, and politics of Islamic studies and Muslim societies.
