

Islamic Studies Minor
Approved Courses List
Fall 2016

The following list includes courses on topics related to the study of Islam and Muslim societies. Students electing the Academic Minor in Islamic Studies should consult the ISP advisor for approval of any course to be used toward the program. Independent study and directed reading courses may also be used toward an ISP minor when appropriate. Please consult the LSA Course Guide (<http://www.lsa.umich.edu/cg/>) and relevant departments for details. Courses in modern language departments are listed only when their topics are relevant to an understanding of the culture, history, and politics of Islamic studies and Muslim societies. Students are invited to consult the LSA Course Guide for a complete list of language courses.
