

## On the Hunt for Gods and Heroes of the Kelsey Museum

**Instructions:** Explore the [Kelsey Museum's online exhibitions from 2013 to 2019](#) and look for examples of these mythological figures. (Tip: there is often more than one representation of a particular god or hero.) Take note of the type of object on which the myth is depicted (coin, pot, sculpture, etc.) and the name of the exhibition where the object occurs. Briefly describe the scene depicted (we recommend making a sketch, too — it helps) and one new thing you learned about the hero, god, or object.

**Bonus: Can you find the Kushite god Apedemak?**
