### **VIRTUAL EXPRESS APPOINTMENTS ARE NOW AVAILABLE**

We know this is a challenging and uncertain time for our campus community and the global community at large, but we also want to let you know we are here to help. In addition to our [standard virtual advising appointments](#), we are offering 15-minute same-day and next-day virtual Express Appointments to answer any of your quick questions. During these appointments you

can ask your advisor quick questions about adjusting to remote learning, course selection and registration, college policies and more! To schedule an Express Appointment, please email [newnanfrontdesk@umich.edu](mailto:newnanfrontdesk@umich.edu), and as always, please contact us with any concerns.

### **UPDATED DROP DEADLINE**

As a reminder, you can now withdraw from a course up until Tuesday, April 21 (which is the last day of classes for the term). For any request to drop a course that was initiated March 10 or later, the W (“withdrawn”) will not appear on your official transcript. If you have any questions about this semester’s policy or grading changes, please [contact us](#) for help.
