APPLICATION AND REGISTRATION PROCEDURES

Students choosing the program fee option *should not* register for the language course through Wolverine Access. Applicants must check the program fee option box (question 11) on the application form, indicating their choice. Students enrolled in the program fee option will receive a Certificate of Attendance upon the successful completion of the course. Course credits will not appear on a transcript and will not be transferable to other universities. Undergraduate students considering this option are strongly encouraged to discuss this decision with their academic advisor prior to applying.

TO APPLY, PLEASE SUBMIT THE FOLLOWING:

- A completed application form.
- Statement of Purpose (not to exceed one typewritten page).
- One letter of recommendation from a college or university professor or high school teacher or principal.
- One language report from a language instructor, if you have taken courses outside of UM in the selected language.

ALL Students

- A placement exam is required of all students with prior knowledge of the selected language. However, if you have already completed coursework in the selected language at UM, you do not need to take the placement exam. If you have already taken the UM placement exam at any time in the past, you cannot take the placement exam again. Exam information will be included in the letter of admission.
- For placement exam results, consult with an advisor in your home school or contact the RLL Department.
- SLI applicants will be notified of their admission status after the open enrollment period ends on April 23, 2020.

The Program fee option is available for all of the Romance language courses *as room permits*. Spanish and French language courses, particularly the 8 credit intensive courses, may not always have room for program fee students. UM students who need these languages are encouraged to register for their desired courses directly through Wolverine Access in order to secure a spot.

- Program Fees are not paid through Student Accounts or UM-Sponsors.
- Please note it is the responsibility of the student to ensure that payment is made.
- If a third party will be covering the cost of the program fee it is the responsibility of the student to ensure that payments are made in a timely manner.
