All curriculum proposals go first to the Course Approval Subcommittee, then the full Curriculum Committee, and finally to the LSA Executive Committee.

Please expect at least 3 weeks following the subcommittee date for processing. Approval of large curriculum changes may take more time.

Deadlines and effective terms will be enforced.

†New majors must also be approved by the Michigan Assoc of State Universities which only meets 4 times per year. PARFs for new majors should be submitted a year in advance of the planned effective term.
