Adolescent & young adult peer relationships, peer socialization processes, functions of social status, development of social networks, social network analysis, autonomy development.

PUBLICATIONS

James, D., Henshaw, E., Lourie, A., Kennedy, S., & Glatley, B., (2023). Attitudes toward COVID-19 restrictions and COVID-19-related stress and fear among college students. *Health Science Reports*, 6(12), e1645. <https://doi-org.proxy.lib.umich.edu/10.1002/hsr2.1645>.

RESEARCH EXPERIENCE

Adolescent Transitions Lab (directed by Dr. Allison Ryan) 2022 – Present
Graduate Student, University of Michigan

- Review and discuss issues pertaining to the transition to middle school, peer relationships, motivation in academic contexts, and social emotional development in adolescence.
- Provide quantitative analysis support and feedback on ongoing lab projects, including presentations and publications.

Michigan Residential Community Survey (PI: Dr. Allison Ryan) 2022 – Present
Graduate Student Research Assistant, University of Michigan

- Assist with preliminary data analysis and synthesize findings into comprehensive reports distributed to community administrators.
- Oversee and advise two undergraduate students assisting in data collection and report creation.
- Support data collection and cleaning, including sociometric (network) data.

Michigan Learning Community Focus Group Subcommittee 2023 – Present
Graduate Student Research Assistant, University of Michigan

- Facilitate three hour-long focus groups assessing Michigan Learning Students' sense of belonging and understanding of social identities
- Oversee and advise a team of two undergraduate students assisting in qualitative transcription and analytical coding.

School Connectedness Survey (PI: Dr. Allison Ryan) 2023 – Present
Graduate Student Research Assistant, University of Michigan

- Assist with survey development on questionnaires distributed to middle school districts in southeastern Michigan.
- Support the creation of school-specific reports communicating the results of survey data.

Senior Thesis with Distinction 2021 – 2022
Undergraduate Researcher, Denison University

- Analyzed the role of social endings (graduation) in college students self-reported friendship maintenance behaviors and friendship characteristics.
- Collected data using a comprehensive Qualtrics survey that was distributed to first year and senior college students.
- Developed a theoretical model and assessed it using multiple hierarchical regressions.
- Developed and independently presented a Senior Research Presentation for the Psychology faculty.
- Wrote and submitted an APA style transcript to Denison University for honorable distinction.

Focus Group on Exploring Parenting Behaviors through Technology 2020 – 2022
Undergraduate Research Assistant, Denison University

- Advanced findings from the Summer Scholar Program, a focus group study was designed to better understand the role of technology in the parent-student relationship.
- Collaborated weekly with Psychology faculty to develop and independently run five small focus groups.
- Directed 3 undergraduate Psychology students in coding focus group transcripts.
- Ran research meetings weekly and assigned research tasks to each student.
- Assisted with poster proposal and poster creation for the 2022 Association for Psychological Science conference.

High School Graduation: Implications for Behavior and Status 2021
Off-Campus Summer Scholars Researcher, Radboud University, Nijmegen, NL

- Conducted research for ten weeks under the supervision of Dr. Antonius Cillessen, Professor and Chair of Developmental Psychology & Director of the Behavioural Sciences Institute at Radboud University in Nijmegen, The Netherlands.
- Used an archival longitudinal data set of 1,200 adolescents to examine trends regarding the importance of status and aggressive behaviors in a high school sample.
- Analyzed self-report and sociometric data utilizing ANOVAs and linear regressions using SPSS.

- Selected for the competitive Off-Campus Summer Scholar grant offered to one student annually to travel to Radboud University.
- Accepted for presentation at the 2022 Biennial Society for Research on Adolescence Meeting.

COVID-19 Stress among First-Year College Students 2020 – 2021
Undergraduate Research Assistant, Denison University

- Conducted literature review for study analyzing the relationship between first year students and the transition to college during the COVID-19 pandemic.
- Collaborated with four other participating research groups to inform findings and future research using self-developed theoretical background.
- Developed a poster that was presented at the *2021 Midwestern Psychological Association* and supported a manuscript published in the *Journal of American College Health*.

Parenting Behavior in the Adjustment of High School Adolescents 2020
Summer Scholars Researcher, Denison University

- Collaborated with two Psychology faculty members for ten weeks regarding parents’ self-reports of their parenting behaviors and perceived outcomes of their student.
- Analyzed correlational relationships split by gender and parenting style using SPSS.
- Created a presentation using Microsoft PowerPoint that was delivered at Denison Summer Scholars Symposium and presented at the Association for Psychological Science.

Trier Social Stress Test Pilot Study 2020
Undergraduate Research Assistant, Denison University

- Assisted professors in the development and execution of a pilot study analyzing students cortisol stress levels using situational stressors.
- Participated in experimental procedure designed to temporarily increase cortisol levels in participants.

TEACHING EXPERIENCE

Psych 356: Educational Psychology
Graduate Student Instructor, Psychology Department, University of Michigan Fall 2023
 Lead instructor: Dr. Kai Cortina

- Facilitated three weekly discussion sections of education psychology for psychology majors, an upper-level capstone psychology course with 76 students.
- Held weekly office hours, graded student work, and developed course syllabi.

Educ 391: Human Development & Education Psychology
Instructor of Record, Marsal School of Education, University of Michigan Winter 2024

- Led lectures and facilitated discussion twice per week for 26 secondary education majors under the supervision of a professor.
- Graded student work, provided feedback, and held weekly office hours.

ACADEMIC AWARDS, HONORS & FELLOWSHIPS

- Rackham International Travel Grant (\$1,150)** 2024
- Rackham Graduate Student Research Grant (\$1,500)** 2023
- Institute of Social Research-Rackham Summer Training Award (\$2,546)** 2023

Honorable Distinction of Senior Research	2022
Denison Psychology Department Irvin S. Wolf Award	2022
Alternate Candidate for Fulbright Research Study in the Netherlands	2022
Alumni Award (\$27,000 annually)	2019 – 2022
Denison Off-Campus Summer Scholars Grant (\$9,760)	2021
Denison Summer Scholars Anderson Endowment (\$4,500)	2020
Associate Member of Sigma Xi	2021 – Present
Member of Psi Chi Honor Society	2021 – Present
