

### **Recurring Gift**

# Announcing an easier way to make your gift to the University of Michigan

#### Why make a Recurring Gift?

<u>The ease and convenience</u>—recurring gifts are charged automatically to your credit card each month (until you tell us to stop) on or around the 10th.

<u>The impact</u>—By reducing postage and mailing costs, recurring gifts enable the s/c/u to spend less on overhead—directing more money toward the programs you support.

<u>The difference</u>—spreading your support over time is easier on your budget and ensures ongoing, reliable revenue for the program(s) that are important to you.

#### What Payment options can be used?

Gifts can be made through your checking account (ACH) or credit card. We accept Visa, MasterCard, American Express and Discover.

#### Is a Recurring Gift reliable?

Yes, it is safe and secure. The University of Michigan is PCI compliant and stores only enough of your credit card information to complete each transaction.

#### How do I set up a recurring gift?

Complete the form below for either credit card or ACH payments and return it to Gift and Records Administration

#### When will I receive a receipt?

You will receive one consolidated receipt for your recurring gift. Receipts are sent out in January for gifts made the previous year.

## What happens if I have an updated account or credit card or I want to modify my gift?

If you change your checking account or credit card please submit a new form. Please call the Gift Help Line at 888-518-7888 if you wish to change accounts or cancel your participation.

To begin you recurring gift, simply complete this authorization form, attach a *voided check (if paying through your checking account) and return it to the following address:  University of Michigan Gift and Records Administration 3003 S. State Street, Suite 8000 Ann Arbor, MI 48109-1288  *If you prefer a photocopy of a voided check can be used for account verification.	Until further notice, I authorize the University of Michigan to charge/deduct from my account as follows:  Amount \$ on the 10th of each month  FrequencyMonthlyQuarterlyAnnual  Signature  Date
