Served on design team to create and implement a seven-year, year-round, college access and success program for high school and college students with a financial need and/or no family history of college. Advised over 120 students on the college admissions process and 100% were admitted to at least one college. Designed and coordinated programs and services to increase college persistence of Academy college students: 95% college persistence rate. Supervised 2 professional staff members and 13 undergraduate students. Partnered with public school system to recruit, select, and support approximately 75 high school students in the Academy.
