

# Nam Center *for* KOREAN STUDIES

## Student Organization Funding Application

The Nam Center for Korean Studies provides support to University of Michigan student organizations that are engaged in Korea-related educational events and activities. To be eligible, the student organization must provide a valid SOAS (Student Organization Accounts Service) shortcode. This application must be submitted to the Nam Center at least 8 weeks prior to the student organization event or activity in order to be considered for funding. The Nam Center will support a maximum of 2 events per academic year, typically for a maximum of \$500 annually. Any requests in excess of this will require exceptional deliberation and should be brought to the Center's attention as early as possible (a minimum of one full academic term before the event). **If awarded, funding recipients must submit an activity summary that includes event proceedings and the number of participants 3 weeks after the event. Failure to report may render the organization ineligible for Center support in the following academic year.**

### General Information

1. Organization Name:

2. Contact Name:  3. Contact UMID:

4. SOAS Shortcode:

### Event Information

5. Event Title:

6. Event Date and Time:  /   :   AM  
 PM 7. Location:

8. Briefly describe how this event/activity is related to Korea and education (limit 350 characters):
