Meeting Minutes:

- Introductions
- Approve previous meeting minutes
- Approved shared leadership.
  - Create open agenda after each DEI committee, keep open for the week
  - Have place to write in the leader on each agenda topic
  - Have volunteer leader each week to lead us through the agenda of each meeting
  - On Monday's before our committee meetings, we will have a committee prep meeting. These will be open to all committee members, and we'll discuss tasks that need to be taken care of, organize items on the agenda, and generally prepare for the meeting. Especially if the volunteer leader for the week or anyone who added to the agenda would like to join, that might be beneficial.
  - Make schedule of leaders instead of random volunteer every week. This way people can plan ahead
- Tshirts
  - No issues budgeting for these shirts
  - Majority wants to order t-shirts
  - Postdocs not getting shirts, not on mailing lists
  - Eng physics not getting notifications
- MLK: Dei themed colloquium
  - Come up with a couple names
  - Preliminary suggestions:
    1) Resource for finding candidates
       https://www.aps.org/programs/minorities/profiles.cfm
    2) At prep meeting, compile suggestions and come back to dei committee with detailed info on each - finalize by next meeting
