| AOB | | |
| Breakout Rooms | | 29 min |

Attendance:

Present: (18) Cagliyan Kurdak, Roy Clarke, Jennifer Ogilvie, Shailaja Humane, Monique Wheeler, Claire Arneson, Eva Kraegeloh, Jens Zorn, Carol Rabuck, Evan Petrosky, Karen O'Donovan, Kevin Zvonarek, Lisa Nguyen, Myron Campbell, Nora Sherman, Robert McGehee, Sikandar Hanif, Victoria

Meeting Minutes:

- Approve meeting minutes

- Teaching subcommittee is working on set of alumni career slides to highlight unconventional career trajectories. Where can we display these? How can we build a network/ relationships with these people so we can contact them if needed?
 - Halls and Walls committee (wanted ideas for dynamic content for the halls and walls)
 - “If you have images to share or have ideas/questions, please email the committee (physicshallsandwalls@umich.edu). When you submit images, please include a sentence or two describing what it represents. We look forward to hear from you!”
 - Flat panel displays in front of physics and AP
 - AP can also contribute to stories, would do their own parallel ones
 - Undergrad -next to undergraduate advisors (cheslea roth) \
- Interested in deputizing someone to work in the office and keep track of Alumni
 - In AP, student services works on updating the AP LinkedIn page, and Cagliyan connects people when needed
 - AP is currently utilizing LinkedIn to keep track and connect Alumni, but there is no formal, centralized process in Physics
 - Physics student services should start compiling such a network on LinkedIn
 - Development office keeps a list, but they tend to keep it private and within their department
- WISE is preparing to bring back their in person summer camp (Girls In Science and Engineering)
 - Anticipating the camp to begin in July 25-29 (a week long day camp) for 7th and 8th grade girls
 - Students choose a “major” and take classes and research, and following a college experience
 - Pre-med, robotics and physical sciences are the “majors” this year
 - ~20 students per class
 -
 - Anyone from the committee interested in running a class (lesson plans can be pre-written if don’t want to write yourself), experiments
 - Most interested in expanding options and showing breadth within science
 - Can offer wages to grad students interested in conducting complicated lessons
 - Hosting Equity and STEM Awards [Willie Hobbs Moore Nomination Form](#)

- Nominate any student, staff, and faculty with individual achievements in STEM, equity work, and mentorship
 - Reach out to Victoria at WISE (vial@umich.edu)
- Suicide Prevention Workshop interest form went out this week to gauge in person attendance
 - Will be hosted by CAPS via Zoom with an in person meeting component
 - Interested in having it in West Hall or Randall with multiple microphones,
 - Let Eva (know if you know of any rooms that may work
- Discussion of MLK Speakers for 2023
 - [Google Form](#) for committee members' suggestions
 -
- Beginning walks this Friday afternoon
 -
