

## Department of Political Science Political Internship Program (Spring/Summer 2022 - PS399)

---

University of Michigan Political Science Department  
invites

Junior and Senior Political Science Students  
to gain course credit for

Internships (**remote and in-person**) with Michigan state legislators,  
Michigan Senators and Members of Congress,  
federal and local courts,  
non-profit organizations, legal professionals,  
the media, and more.

---

### 3-credit Political Science course

- Requires a minimum of 160 hours total in placement office over the course of the summer
  - Students must line up their own internships, but are provided with one-on-one guidance in finding placement opportunities
  - Course work entails weekly online class discussion entries and three personal interviews/papers
- 

### What do I get out of the Political Internship Program?

Preview of careers in the political, legal, and non-profit world  
Visible, unique work experience for your resume  
Letters of recommendation for law/graduate school applications or future job opportunities  
Networking and leadership training experience

---

Acceptance into Internship Program is based on application and personal interview.  
Interviews will be scheduled starting immediately and run through the start of spring term.
