QMSS 451
Senior Capstone: Social Sciences Study Management

Students will learn to manage a project over the course of the semester through 4 “quadrants”:
➔ Question
➔ Method
➔ Study
➔ Solution

Students collaborate on project teams, learning consultant and analyst roles.

Weekly feedback and training sessions provided.

Each capstone project is based on a collaboration with a real company or nonprofit organization.

Final, capstone course for the QMSS minor!

Check out our website for more information!
