Graduate Programs
Be aware that most graduate programs expect substantial preparation in literature. For this reason, if you are interested in earning a graduate degree in French, you should give particular consideration to French 270, 362-369, 378, and 400-level courses in literature and culture.

Students who wish to pursue an academic minor are strongly encouraged to make a general advising appointment to discuss degree requirements/options and to develop a plan for degree completion. Appointments may be scheduled on the RLL website or by calling (734) 764-5344.

Information about French programs in the Department of Romance Languages and Literatures, as well as additional copies of the worksheet is available on the website: www.lsa.umich.edu/rll/.
