

Now you can include a link to Sweetland Writing Support services directly in your Canvas course site. Follow the instructions below to add it to your Home page toolbar for students' easy access.

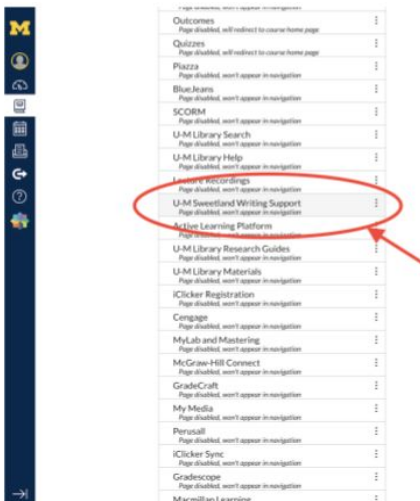

1. Start on your Canvas course Home page.

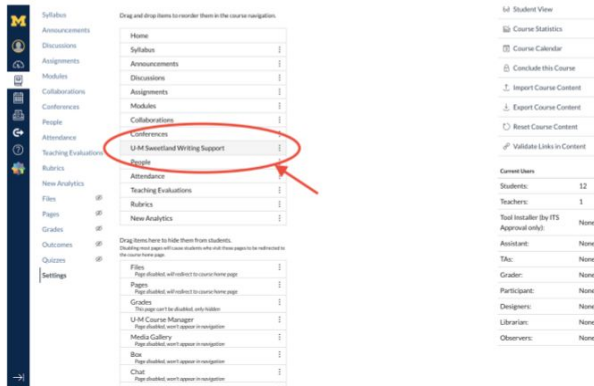

2. Click on Settings at the bottom of the right-hand toolbar, and then select the Navigation tab.

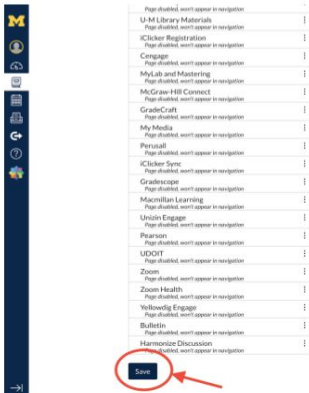

3. Scroll down to find the U-M Sweetland Writing Support tool.

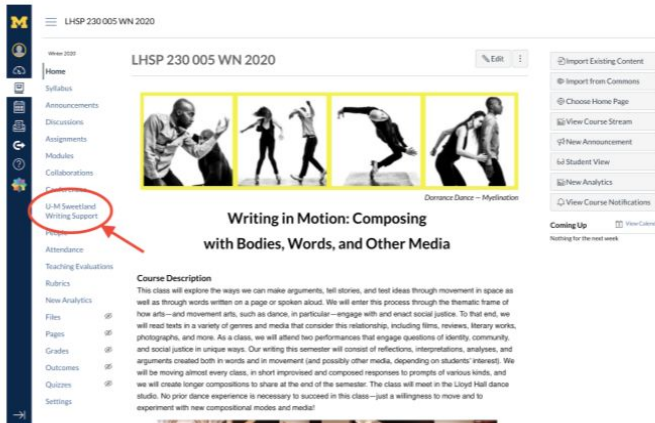

4. Drag the U-M Sweetland Writing Support tool to the upper (visible) list of tools, and place it where you want it to appear.

5. Click Save at the bottom of the Navigation page.

6. The U-M Sweetland Writing Support link will now be visible to your students on your course Home page.

7. When your students click the toolbar link, they will be taken to a page that directs them to Sweetland writing support.
