## ONLINE WRITING LAB

Writing support without leaving your room, Sweetland's OWL (Online Writing Lab) allows you to connect one-to-one with a Sweetland Peer Writing Consultant using Google Meet. Like the Peer Writing Centers, you can bring any kind of writing, **personal or course-related**, to your OWL appointment. Visit our website for more information or to schedule an appointment.

## ETUTORING

Receive written feedback on your writing, **personal or course-related**, via email from a Sweetland Peer Writing Consultant. Appointments are scheduled online. After uploading your work, consultants review your writing during your appointment time and provide written feedback via email by the end of your appointment. There is a 10-page limit to eTutoring submissions.
