<td>5:00-6:00 p.m.</td>
</tr>
<tr>
<td>6:00-8:00 p.m.</td>
</tr>
</tbody>
</table>

Each color of wristband is assigned a one hour window for your return. When you return you can get in the Wristband Entry Line. While this is not a guarantee of immediate entrance at that time, your wristband will expedite your visit and help you reduce your overall wait time. Once admitted you can stay as long as you want. Thank you for your patience and support. We are thrilled that you have come today.
