

Welcome to Camp Explorations!

We are so excited you have registered for camp this summer. Camp sessions will take place at the museum's new home in the Biological Sciences Building with walking field trips to other campus and offsite locations.

Things to Bring

- Water Bottle
- *Snack (non-refrigerated, non-microwavable, nut-free)
- **Lunch (non-refrigerated, non-microwavable, nut-free)
- Weather-appropriate clothes and footwear (including jackets for cooler mornings and rain gear for rainy days)
- Hat
- Sunscreen/Bug spray
- A bag or backpack to hold it all

*** For the safety of our campers and staff, we are a peanut and tree nut free camp.**

**** Lunch is only needed for campers enrolled in both a morning and afternoon Adventure session.**

Please mark all items with your camper's name! It is a camper's responsibility to keep track of all of their belongings while at camp. To support campers' success in this area, we encourage families to label all belongings with a camper's first and last name and send all items in a bag or backpack.

Snacks

Please send a snack with your camper – both morning and afternoon! Camp Explorations provides plenty of water, lemonade, and the occasional treat, but a healthy snack really helps keep us going! **Please DO NOT send snacks that contain nuts.**

Things to Leave at Home

- Toys
- Hand held video games or any Electronics
- Trading cards of any kind (Pokemon, Yu-Gi-Oh, etc)
- Candy

Camp Explorations is not responsible for lost or broken toys, especially handheld video game systems or valuable trading cards! PLEASE leave these things at home.

Friend Requests

Campers are placed in age-appropriate groups for each session. We make every effort to accommodate requests for campers to be in the same group as a friend, though requests are not guaranteed.

If you would like your camper to be placed in the same group as a friend the request can be made in writing to the Camp Director at ummnh.camp@umich.edu.

Summer Camp T-Shirts

All Campers receive one camp shirt with their camp registration on the first day of camp. We may ask campers to wear their camp T-shirt on certain days and will notify you in advance.

Museum Store

Campers will have the option to visit the Museum of Natural History Museum Store on Fridays. If your child would like to buy something in the store, you may send money with your child that day.

(Little Explorers will not visit the Museum Store. If you wish to visit the Museum Store with your camper, you may visit after camp ends at 12:00pm).

Anything else?

We greatly appreciate any information, suggestions or tips you would like to share with us. Filling out the registration form with as much detail as possible will give us the opportunity to prepare any special accommodations and give your camper the best experience possible. If you forgot to add something or would like to add any additional information, please email our summer camp team

at umnh.camp@umich.edu or call the Camp Office at (734) 647-6421. Anything you wish to be communicated with your camper's counselor will be communicated prior to the start of the camp week.
