Schedule your program today!
Schedule by phone at (734) 764-0480 or email ummh.office@umich.edu (9-5 weekdays). Limited capacity available.

You will need:
- Multiple possible dates and times
- Number of children
- Activity you would like to schedule
- School address and phone number

Want more details?
Go to ummh.org or call (734) 764-0480 or email ummh.office@umich.edu.
River Residency Programs

Bring a river into your school with the Museum’s 12-foot stream simulation table! These workshops provide hands-on opportunities to explore how water flows, erosion, effects of flooding, the consequences of human activities on water quality, and much more. Students work in small groups and record their observations in accompanying student journals.

Fees: 1 day: $1100, 2 days: $1500, 3 days: $2000, 4 days: $2500.

Programs include:

Water, Weather and a River Community
1 hr | Grades K-3 | Limit 30 students

How Water Shapes the Land
1 hr | Grades 2-6 | Limit 30 students

Protecting Our Watersheds
1 hr | Grades 3-8 | Limit 30 students

Call (734) 764-0480 to schedule. See the River Residency Programs on ummnh.org for more details.

Museum to You

Bring science programs to your school! Our hands-on, inquiry-based classroom workshops provide in-depth explorations of scientific concepts with museum objects. Students rotate between three different hands-on stations facilitated by our staff, and record their observations in supplied journals. Our programs are aligned with state curriculum standards.

Cost: $225 for the first class, $125 for each additional class. Mileage fees may apply.

To register for a workshop, please call (734) 764-0480.

Programs include:

Dancing with Dinosaurs*
1 hr | Grades Pre-K-1 | Limit 30 students

Fabulous Fossils
1 hr | Grades 2-4 | Limit 30 students

Changing Landforms
1 hr | Grades 2-6 | Limit 30 students

Rock Detectives
1 hr | Grades 2-6 | Limit 30 students

Changing Earth: Inside the Earth
1 hr | Grades 4-6 | Limit 30 students

The Geometry of the Universe
2 hrs | Grades 9-12 | Limit 30 students

*Group does not rotate between stations.

UMMNH will reopen in our new location right next door to our old location in 2019

UMMNH is temporarily closed as we prepare to move to our new facility.

Look forward to new science discovery experiences when the Museum reopens in 2019!

- Interactive, hands-on, and minds-on exhibits
- Innovative exhibits with new and favorite specimens and artifacts
- A new Planetarium & Dome Theater explores a wide variety of science subjects
- Investigate labs for hands-on science
- And newly designed student programs both onsite and in your classroom!
