

MARLENE CAMACHO-RIVERA, SC.D., M.S., M.P.H.

Date of Preparation: August 1, 2018

Contact Information: CUNY School of Medicine, City College of New York, 160 Convent Avenue, Townsend Harris Hall, Suite 313D, New York, NY 10031. Telephone: 212-650-5266; Mobile: 347-482-5330; mcamachorivera@med.cuny.edu

ACADEMIC APPOINTMENTS

08/2015- Present	Assistant Medical Professor of Community Health and Social Medicine (tenure-track) CUNY School of Medicine
09/2017- Present	Faculty Affiliate, Department of Epidemiology and Biostatistics CUNY School of Public Health and Health Policy
09/2017-Present	Faculty Affiliate, Department of Community Health and Social Sciences CUNY School of Public Health and Health Policy
09/2016-Present	Visiting Investigator, Memorial Sloan Kettering Cancer Center
09/2016-09/2017	Faculty Affiliate, Advanced Science Research Center City College of New York/CUNY
04/2016-Present	Faculty, Health Disparities Cluster Research Center in Minority Institutions (RCMI), City College of New York

EDUCATION

09/2007-11/2012	Harvard T.H. Chan School of Public Health Department of Social and Behavioral Sciences Sc.D., Social Epidemiology; Quantitative Methods, Health and Human Development (Minors) Doctoral Dissertation: Social epidemiology of asthma among children and adolescents living in Los Angeles neighborhoods Chair: S.V. Subramanian, PhD; Members: Ichiro Kawachi, MD, PhD; Gary G. Bennett, PhD
09/2006-05/2007	Harvard T.H. Chan School of Public Health Department of Social and Behavioral Sciences Sc.M., Social Epidemiology , Concentration: Maternal and Child Health Graduate Advisor: Dolores Acevedo Garcia, PhD

- 09/2004-05/2006 Tufts University School of Medicine
 Department of Public Health
 M.P.H., Health Policy and Management
 Thesis: *Assessing physician compliance with the National Asthma Education Prevention Program Guidelines: A quality improvement study*
 Graduate Advisor: Paul Hattis, MD, JD
- 09/2000-05/2004 Cornell University, College of Agriculture and Life Sciences
 B.S., May 2004; Biology and Society

EMPLOYMENT

- 2013-2015 Epidemiologist
 Department of Family Medicine
 Northwell Health
- 2012-2015 Post-Doctoral Fellow, Division of Epidemiology
 Feinstein Institute for Medical Research
 Northwell Health
- 2010-2012 Clinical Interviewer, Hispanic Community Health Study/Study of Latinos (SOL)
 Department of Epidemiology and Population Health
 Albert Einstein College of Medicine
- 2011-2012 Research Consultant
 Department of Internal Medicine
 Montefiore Medical Center
- 2008-2012 Graduate Research Assistant/Teaching Assistant
 Department of Social and Behavioral Sciences
 Harvard T.H. Chan School of Public Health
- 2006-2007 Graduate Research Assistant
 Boston Asthma Initiative
- 2005-2007 Graduate Research Assistant
 Massachusetts Coalition for Occupational Safety and Health
- 2005-2006 Graduate Research Assistant
 Boston Urban Asthma Coalition

HONORS AND AWARDS

- 2018 Herbert W. Nickens Faculty Fellowship, American Association for Medical Colleges

2017	National Hispanic Health Mentoring Program Scholar National Hispanic Health Foundation and Patient-Centered Outcomes Institute
2016- 2017	PRIDE-CVD Scholar, NIH/NHLBI
2014-2016	Health Disparities Scholar, NIH/NIMHD
2014	Top Poster Award, New York City Epidemiology Forum
2013	Fellow, New York Academy of Medicine
2012	Public Health Trainee, US Department of Health and Human Services
2009-2012	Presidential Graduate Fellow, Harvard University
2007-2009	Doctoral Fellow, Initiative for Minority Student Development, NIMHD/NIH
2006-2007	Maternal and Child Health Trainee, MCHB/HRSA
2005-2006	Boston Fellow, Albert Schweitzer Fellowship

DEPARTMENTAL SERVICE

2017-2018	CUNY School of Medicine, Research Associate Search Committee, Member
2016	CUNY School of Medicine, Departmental Strategic Planning Values Committee, Member
2016	CUNY School of Medicine, Davis Community-Based Research Fellowship Application Committee, Member

UNIVERSITY SERVICE

2018-present	CUNY School of Medicine, Associate Dean for Diversity Search Committee, Member
2016-present	CUNY School of Medicine, Student Academic Progress Committee, Member
2016-2017	CUNY School of Medicine, Inclusive Excellence Council, Strategic Planning Core Working Group, Member
2015-present	CUNY School of Medicine, Inclusive Excellence Council, Member
2015-2016	City College of New York, Women in Science Mentoring Program, Mentor
2015-2016	CUNY School of Medicine, Committee on Admissions, Member

2014-2015	Feinstein Institute for Medical Research Diversity Council
2008-2009	Harvard T.H. Chan School of Public Health, Committee on Educational Policy, Member (Elected)
2007-2008	Harvard T.H. Chan School of Public Health, CEPH Accreditation Committee, Member (Appointed)
2006-2008	Harvard T.H. Chan School of Public Health, Student Government, Member (Elected)
2005-2006	Tufts University School of Medicine, Student Government, Member (Elected)
2001-2004	Cornell University, College of Agriculture and Life Sciences, Peer Advisor

SERVICE TO THE FIELD

2016-present	Sociocultural Working Group, Hispanic Community Health Study/Study of Latinos
2016-present	Professional Development Committee, Hispanic Community Health Study/Study of Latinos
2015-present	National Environmental Health Association
2014-2015	Professional Development Committee, Latina Researchers Network
2013- present	Latino Caucus for Public Health, American Public Health Association
2013-2016	Subcommittee on Children with Special Health Care Needs, Maternal and Child Health Section, American Public Health Association
2013- 2015	Minorities in Cancer Research Committee, American Association for Cancer Research

PROFESSIONAL ORGANIZATIONS AND SOCIETIES

American Heart Association, member

International Society for Urban Health, member

Society for Epidemiologic Research, member

New York Academy of Medicine, fellow

American Association for Cancer Research, member

American Public Health Association, member

EDITORIAL ACTIVITIES

- 2018-present Review Editor, Epidemiology Section, *Frontiers in Public Health*
- 2011-present Ad Hoc Reviewer, *American Journal of Epidemiology*, *American Journal of Public Health*, *BMJ Open*, *International Journal of Cardiology*, *Journal of Asthma*, *Journal of Cancer Education*, *Journal of Immigrant and Minority Health*, *Journal of Racial and Ethnic Health Disparities*, *PLoS One*, *Population Research and Policy Review*, *Social Science and Medicine*

GRANT SUPPORT

Current Support

CUNY School of Medicine Collaborative Pilot Research Grant (Camacho-Rivera, PI) 09/2018-08/2019
Adapting and Evaluating a Patient-Centered Asthma Mobile Application for Adult Asthma Patients in the Emergency Department Setting

CUNY Interdisciplinary Research Grant (Camacho-Rivera, PI) 06/2017-09/2018
Linking Data Analytics and Wearable Sensors to Enhance Patient-Centered Asthma Management in the Bronx, New York

3P30 CA008748-50S3 (Thompson, PI: Camacho-Rivera, CCNY Site PI) NIH/NCI 09/2016-08/2018
Bedford-Stuyvesant and Bushwick: Cancer Health Impact Program

Under Review

CCNY-MSK Partnership for Cancer Research, Training, and Community Outreach (PIs: Gany, Camacho-Rivera)
Food Augmentation to Impact Disparities – FoodAID
NIH/NCI Specialized Center – Cooperative Agreements U54

NIH/NIMHD Health Disparities Loan Repayment Award (PI: Camacho-Rivera)
Asthma and Cardiovascular Outcomes among Latino Ethnic Subgroups

In Preparation

Reducing Asthma Disparities in Urban Minority Adolescents through the use of Wearable Technologies
(PI: Camacho-Rivera)

Past Support

5P20 CA192993 NIH/NCI (PI: Ostroff and Sheffer; Subcontract PI: Camacho-Rivera) 2016
Examining the Narrative Voices of Minority Head and Neck Cancer Survivors

American Academy of Family Physicians (PI: Iroku-Malize; Project Director: Camacho-Rivera) 2014-2015
Vaccinating on the Go: Utilizing a mobile health van to increase vaccination rates among Long Island seniors

Robin Hood Foundation (PI: Carney; Evaluator: Camacho-Rivera) 2013-2014
Project coastal care mobile health van to support Hurricane Sandy affected communities

K25 HL081275 NIH/NHLBI (PI: Subramanian; Research Assistant: Camacho-Rivera
Asthma Disparities: Advancing Multilevel Causal Models

2008-2012

INVITED TALKS

1. Study design and data analysis made easier. Department of Pediatrics. Saint Barnabas Hospital, 2018
2. New approaches to improving asthma self-management among urban adolescents. Health Professions Mentoring Program. CUNY School of Medicine, July 2018
3. Using new technology to improve asthma self-management in the Bronx, New York. Health Professions Mentoring Program. CUNY School of Medicine, July 2018
4. Influences of neighborhood distress and neighborhood social capital on adult asthma: Results from the Hispanic Community Health Study/Study of Latinos (HCHS/SOL). HCHS Sociocultural Ancillary Working Group Webinar, June 2017

5. Socioecological, Life Course, and Biomedical Approaches to Food, Culture, and Health. Sociomedical Sciences Course, CUNY School of Medicine, February 2017
6. Cardiovascular risk factors and disease incidence among Latino asthmatics (SOL-CARDIA). NHLBI PRIDE-CVD Webinar, January 2017
7. Translational Approaches to Improving Asthma Self-Management among Urban Communities. Translational Challenges in Medicine, CUNY School of Medicine, December 2016
8. Beyond the Paradox; Empirical Evidence, Explanations, and Implications for Latino Health. CUNY School of Public Health and Health Policy, November 2015
9. Environmental Science at the CrossRoads: Advancing Interdisciplinary Research at CUNY. The City College of New York, November 2015
10. Social Determinants and Impacts of Asthma among Vulnerable Populations. Sophie Davis School of Biomedical Education, The City College of New York, July 2015
11. Environmental Justice as a Framework for Approaching Health Disparities: The Case of Childhood Asthma. Occupational and Environmental Health Course, Hofstra North Shore- LIJ School of Medicine, July 2014
12. Environmental Justice as a Framework for Approaching Health Disparities. Occupational and Environmental Health Course, Hofstra North Shore- LIJ School of Medicine, June 2013
13. Implementing Binomial Models in MLWIN, Multilevel Statistical Methods: Concepts and Application Course, Harvard School of Public Health, April 2011
14. The Social Epidemiology of Childhood Asthma Disparities. Maternal and Child Health Seminar, Harvard School of Public Health, April 2009

PRESENTATIONS

1. **Camacho-Rivera M**, Vo H. Reducing asthma disparities in urban minority adolescents through the use of wearable technologies. Accepted for Oral Presentation at the 2018 American Public Health Association Annual Conference
2. **Camacho-Rivera M**, Torres-Pagan L. Associations of serious psychological distress, health care access, and chronic comorbid conditions among Latino immigrants. Accepted for Poster Presentation at the 2018 American Public Health Association Annual Conference
3. **Camacho-Rivera M**, Banerjee SC, Thomas J, Haque H, Kim L, Smith P, Sheffer C, Ostroff JS. Faith-Based Approach and Avoidance Coping Strategies among South Asian Head and Neck Cancer Survivors: A Qualitative Study. 2018 NCI PACHE Program Meeting, July 2018
4. **Camacho-Rivera M**, Elkin, E., Blinder, V. Ramirez, J., Paolantonio, L., Melnic, I., Gany, F. Food Augmentation to Impact Disparities (FoodAID). NCI PACHE Program Meeting, July 2018

5. **Camacho-Rivera M**, Albritton T, Akpara E*, Robinson A*, Adeyemi-Jones A*, Sohler N, Frye V. Designing and Implementing Social Determinants of Health Curricula in Pre-Clinical Medical Education. Annual Subway Summit, June 2018

TEACHING ACTIVITIES

Course Director, Sociomedical Sciences, CUNY School of Medicine	2017-present
Small Group Facilitator, Organ-Based Systems, CUNY School of Medicine (Lisa Auerbach, Course Director)	2016- present
Small Group Facilitator, Sociomedical Sciences, CUNY School of Medicine (Samantha Barrick, Course Director)	2016-2017
Small Group Facilitator, Fundamentals of Organ Systems, CUNY School of Medicine (Linda Spatz, Course Director)	2016- present
Fieldwork Supervisor, Evaluation in Healthcare Settings, CUNY School of Medicine (Donna Gooden-Johnson, Director)	2016
Teaching Assistant, Multilevel Statistical Methods, Harvard School of Public Health (S.V. Subramanian, Course Director)	2009-2010
Teaching Assistant, History, Politics and Public Health, Harvard School of Public Health (Nancy Krieger, Course Director)	2009-2010
Teaching Assistant, Society and Health, Harvard School of Public Health	2007-2010

(Ichiro Kawachi, Course Director)

Teaching Assistant, Health Behavior and Health Communications, Tufts University School of Medicine 2005-2006

MENTORING ACTIVITIES

Medical Residents

- 2013-2015 Research Mentee: Tricia Kalwar, MD
Hematology/Oncology Project: Heterogeneity of breast cancer characteristics and outcomes among Black women
Presently Oncologist at Broward Health Physician Group
- 2014-2015 Research Mentee: Cheryl Mensah, MD
Internal Medicine Project: Neutrophil-lymphocyte ratio in cancer prognosis
Presently Internal Medicine Resident at North Shore University Hospital

Postdoctoral Fellows

- 2016-present Research Mentor: Leonell Pagan-Torres, PhD
State of Latino Health in New York City
Presently Research Associate, Center for Puerto Rican Students, Hunter College, CUNY

CUNY School of Public Health and Health Policy Students

- Summer 2017 Fieldwork Supervisor for Vrushali Gupta
Bedford-Stuyvesant and Bushwick Cancer Health Impact Program
Rising 2nd year MPH student

CUNY School of Medicine Students

Rudin Fellows

- 2018 Raisa Haq
2018 Marcus Mosley
2017 Ezinne Akpara
2016 Suedeh Ranjbar

Leonard Davis Community Fellows

- 2018 Michael Obadina
2017 Justen Molina

Other Mentorship

- 2018 Adenike Adeyemi-Jones
2018 Aaliyah Robinson
2018 Adeola Lawal
2018 Kimberly Serna

2018	Nowshin Tafawa
2017	Neil Meepagala
2015	Talia M. Torres
