HIGHER EDUCATION ADMINISTRATION

Northern Virginia Community College

Interim Student Success Advocate

Woodbridge, Virginia

January 2017-

- Collaboration with division deans to create a college-wide retention and persistence model for students not fulfilling Satisfactory Academic Progress (SAP) and in jeopardy of losing federal financial aid.
- Development of a faculty delivered intrusive advising model, inclusive of midterm grade reporting, an early alert protocol, and bi weekly advising meetings for a pilot group of students not fulfilling Satisfactory Academic Progress (SAP).
- Leads assessment and review of the retention and persistence model for areas of success and adjustment.
- Liaison to division faculty, student services staff, and division deans to identify academic and student support services to positively impact the campus rate of student retention.
- Individual and group academic advising and counseling for students pursuing certificate and associate degree programs.

Program Coordinator, Year Up

July 2015- December 2016

- Strategic program support for the new Woodbridge/Year Up partnership and subsequent initiatives among senior administration, academic division deans, and the Year Up program staff.
- Primary liaison to the academic divisions, deans, and faculty for group & individual academic advising and support, inclusive of the early alert protocol and supplemental instruction initiatives.
- Facilitated program assessment, inclusive of retention data, against multiple campus factors: degree program, major, etc.
- Primarily responsible for individual student academic advising, inclusive of student services initiatives, and financial aid compliance.

- Executed cohort course enrollment through People Admin, in addition to student case management for enrolled and prospective students, i.e., placement tests, academic advising, course repeats, etc.
- Facilitated retention efforts through case management for students separated from the Year Up program.

Virginia Tech, National Capital Region

Assistant Director, Center for Leadership in Global Sustainability

Arlington, Virginia

April 2012- May 2013

- Supported graduate students in the administration of the Executive and distance Masters' programs via Banner, Scholar, & Blackboard.
- Supported adjunct faculty and department fellows in course management, enrollment and academic advising.
- Managed daily operations for the Center, including accounts payable via HokieMart & Banner, contract negotiations, event planning, marketing and public relations.
- Developed and executed administrative processes & protocols for standing projects with university & external partners.
- Primary liaison for several internal university partners, including the College of Natural Resources & Environment in Blacksburg, leadership in the National Capital Region, the Graduate School, Accounts Receivable and the Controller's Office.
- Facilitated staff recruitment using PeopleSoft, as well as the training, supervision, professional development, and evaluation of professional staff.

University of Delaware
