

Chemical and Supply Requests

To replenish **chemicals that are already in the lab**, simply call the Chemical Dispensing Area (Guenther Kellner) at 4-7344. One of the helpful support people will bring refill chemicals directly to the teaching lab.

If you leave a message, remember to:

- Identify yourself by name, course # and room #.
- Give accurate chemical information
 - correct name of chemical
 - concentration or molarity
 - amount needed

To request **chemicals for upcoming experiments**, submit a written request via email to:

- Guenther Kellner (gkellner@umich.edu)
- Cc: Jim Vollmers (jvollmers@umich.edu).

Remember to include all pertinent information about the chemical (amount, concentration, course #, what experiment it for, and when it's needed)

To request supplies or equipment for the teaching labs contact the Chemstands.

- Chemstands – John Corthell (corthell@umich.edu)
- Phone 3-4684, message must include your name, course #, and room #
